We are committed to providing our clients with the highest professional service standards when dealing with their insurance requirements. Please read this document carefully, it sets out the terms on which we agree to act for you, how we conduct business, limitations on our liability, our regulatory and statutory obligations as well as your responsibilities both to us and to insurers. If there is anything you do not understand or with which you disagree, please contact us immediately as these terms will form the basis of the contractual relationship between us, and become binding when you purchase your policy.

This Agreement is effective from 21st May 2021 and supersedes any agreement previously issued by us.

The Regulator

The Financial Conduct Authority (FCA) is an independent watchdog that regulates financial services.

Our Financial Services firm reference number is 447532 and you can check our status and permissions at <https://register.fca.org.uk/> or by contacting the FCA on 0800 111 6768.

Law and Language

This Terms of Business Agreement is subject to English Law and the jurisdiction of the English Courts. We will use the English language for all communications, the contractual terms and conditions, and any information we are required to supply to you before and during the duration of the contract.

Our Activities

We are an insurance distributor, which means the FCA has authorised us to advise, arrange, deal in and assist with the placing and administration or prepare in any other way the conclusion of all types of General Insurance policies.

This includes websites, (including comparison websites) if they allow the conclusion of an insurance contract.

Our Service

We are an insurance distributor (intermediary) and can act both as agent of insurer, and on behalf of you, the customer. We have in place management controls to deal with any conflicts of interest that might arise. Unless we advise you otherwise, we are acting on your behalf.

We also act on behalf of insurers when collecting premiums under risk transfer (See "Money" section).

We will ask questions to enable us to assess reasonably your insurance requirements, this may include checking information that we already hold about you and your existing insurance arrangements with us and other parties.

We will provide you with advice and guidance, after assessing what you want and need and recommend a suitable policy based on our experience of dealing with similar risks.

We will confirm to you the level of service we are providing as part of our sales process. In all cases our service will include arranging and administering your insurance, including helping you with on-going changes.

If we use the services of another intermediary or distributor to place your insurance, we will advise you of the name of the intermediary or distributor we use and the name of the insurer.

Demands and Needs

Consumers

In assessing your demands and needs we will ask you a number of questions.

It is your responsibility to ensure you give us complete and accurate answers to any such questions, not only when you take out your policy, but also when you decide to renew or make any changes during any term of a contract of insurance (this applies to any changes in information relating to any individual named on the policy).

We will make a specific personalised recommendation for product suitability based on our understanding and appraisal of your demands and needs requirements. Where we provide you with specific advice, we will give you the relevant information you require, honestly, fairly, and professionally and in a way that is in your best interests (i.e. we will alert you to important terms and conditions about the contract of insurance, and we will provide you that information when it is most relevant). This may include information about comparable products between different product providers, all of which will help you to decide whether to go ahead with any particular contract of insurance.

Non-Consumers

If you are dealing with us in a commercial capacity, you will be under a duty to make a fair presentation. You are therefore required to disclose any matter which you know or ought to know that would influence the judgement of an insurer in deciding whether to insure the risk and on what terms.

If you are unsure whether a matter is relevant or not, you should provide sufficient information so as to put an insurer on notice that it needs to make further enquiries if necessary.

We will make a specific personalised recommendation for product suitability based on our understanding and appraisal of your demands and needs requirements.

Where we provide you with specific advice, we will give you the relevant information you require, honestly, fairly, and professionally and in a way that is in your best interests (i.e. we will alert you to important terms and conditions about the contract of insurance, and we will provide you that information when it is most relevant).

This may include information about comparable products between different product providers, all of which will help you to decide whether to go ahead with any particular contract of insurance.

Our Product Selection (Fair and Personal Analysis)

We offer products from a wide range of product providers (i.e. insurance companies) and sometimes use other distributors (i.e. sub-agents) to access products. Our selection usually involves presenting to a reasonable number of insurance companies that will insure for the risk at hand, and this is called a fair and personal analysis of the market.

Sometimes we may only approach a specified number of product providers (i.e. insurance companies) and this is a Panel, or in some cases, we may only approach one product provider, in either case, we will tell you the basis as part of our selling process.

The processes we have in place means that the characteristics of these products take account of our target customer's demands and needs and include sourcing products from one or more of the product providers we deal with.

We will also provide a list of the companies that form the Panel we have approached at quotation stage.

A full list of these product providers is available. Should you require a copy of the full list please contact us.

Method of Communication

Whilst you do have a choice in the way we communicate with you, we will principally provide you with information using e-mail or some other means to enable you to access information electronically.

During the process of dealing with us you will be given an option to receive information in this way, meaning if you would like information in a paper format, we will be happy to provide it.

Call Recording

Your call may be recorded for training or monitoring purposes. We ensure all call recordings are protected in the same way as any other digital or written data in strict accordance with the General Data Protection Regulations (GDPR) and The Data Protection Act (DPA) 2018.

Training

We maintain training to a minimum standard to ensure our workforce is appropriately skilled but where specialism in particular activities is required, we have in place more detailed requirements, including the need for our staff to attain a professional qualification where relevant.

Limit of Liability

This clause restricts the amount that may be recoverable because of our negligence. Other than injury or death of any person (for which no cap on liability will apply), our liability to you for the services we provide shall not exceed £1,000,000 for any one event or connected events.

Conflict Management

Whilst we act in the capacity of agents for our product providers (i.e. the insurance companies we do business with) we are required to have in place appropriate governance controls to help us meet our regulatory objectives. We have in place effective organisational controls, including appropriate supervision, to ensure we manage any and all conflicts of interests which may arise or may be identified from time to time. This includes gifts and benefits granted and accepted, which may damage the interests of our relationship with either our distributors or our customers.

Our Customers Best Interests

Our primary aim is to ensure, for any customer (or potential customer) that we act honestly, fairly and professionally and in the customers best interest including giving customers information they might need to understand the relevance of any information we provide, as well as objectively giving that information when it is most useful to a customer to enable informed decision making.

Ownership

Stanhope Cooper is a private limited company incorporated in England. We do not hold more than 10% of the voting rights or capital in any insurance undertaking. No insurance undertaking holds more than 10% of the voting rights or capital in Stanhope Cooper.

Financial Strength

We regularly assess the financial strength of the Insurance Companies and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies such as Standard & Poor's and A M Best published with other readily available information within industry guides, newsletters, and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims.

Money

We will hold money that you pay to us in accordance with the regulator's rules or under a risk transfer agreement with insurers. This will include holding your money in the following way:

Client money may be held in designated investments and we will keep any investment returns earned.

A statutory trust client bank account that only allows us to use the money

held in trust on behalf of a customer for paying that customers' premium to an insurance company and to pay premium refunds or claims we receive from that insurance company to the customer, once the premium has been received from that insurance company. We cannot use that customer's money to pay other customers premium or refund. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance, unless, in the case of consumer transactions we receive more than £20 per transaction, and then we will ask for your permission to retain the interest. Unless you tell us otherwise, you are consenting to us holding your money in this way.

By holding your money in this way, means that in the event that this firm becomes insolvent your money remains protected.

In arranging your insurance, we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

Terms of payment

Please note that you are responsible for the prompt payment of premiums and therefore we require payment of your premium by the inception or renewal date of your policy. Failure to settle your premium by this date may result in your insurer cancelling your policy and imposing a time on risk charge.

We accept most major credit cards and also bank transfers, for which no charges will apply. We do not accept cheques of cash.

In addition, you may be able to pay premiums in monthly instalments via insurers' direct debit facilities or a credit scheme with a finance provider which will most likely result in an additional charge. Full details of payment options will be available at quotation and renewal stage.

In the event that we receive no instructions or payment before the date of inception or renewal, we reserve the right (but shall have no duty) to renew your policy and (in respect of direct debit/instalment payments) to continue to accept payment from you unless and until you provide us or your insurance company with written confirmation that you would like to cancel your policy. In situations where we have anticipated (in the absence of instructions to the contrary) that renewal is required you may be liable to make payment to us and/or your insurance company.

Personal credit checks

Please be aware that when we approach insurers for quotations some may conduct personal credit checks as part of the underwriting process. We have been advised that this will not have any detrimental effect on your credit rating or history but the search will appear on your record whether or not your application is proceeded with.

Where we have been asked to arrange personal premium finance we must comply with the Consumer Credit legislation and therefore we will pass on your name, address and date of birth to the provider in order for affordability assessments to be made. When assessing your application the provider may use credit scoring, automated decision making and credit reference agencies.

Sanctions

All businesses in the UK are subject to the provisions of Government sanctions and are therefore prohibited from dealing with 'embargoed' entities. Therefore both us and your insurers will perform sanctions checks. If your or you insurer is based elsewhere in the world then additional sanctions may be applied. We will also complete these checks for consumers.

Insurance Premium Tax (IPT)

Your premium detailed in the policy will include IPT at the prevailing rate. Should the rate of IPT be amended by the Government, your premium will be amended by the insurer to reflect the change.

Our Remuneration

We usually receive a commission from the insurance provider with whom we place your business, and this is expressed as a percentage of the premium you pay and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly by the premium finance provider. This means that the amount you pay for credit and the overall cost of arranging your insurance will vary according to the interest charged by the lender and the amount of commission we earn. Using premium finance makes the overall cost of the insurance more expensive. A full breakdown of the cost of your insurance and the cost of credit will be provided as part of your new business or renewal quotation before you make a decision whether to proceed.

We may also receive a commission or fee for passing introductions to other professional firms.

In addition, we may also charge you a fee for arranging your insurance and full details will be provided to you at outset.

Payment Options

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium.

If you choose to enter in a finance arrangement, your details will be passed to a third party (insurer or lender) to enable them to contact you and you should contact us at the address given in this document if you do not want your details passed to that party. This finance arrangement will be subject to interest charges that we will confirm to you when providing the full details. Importantly, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears.

You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder and the finance company direct, not us or the insurer.

It is important that you read the finance agreement that is sent to you before you agree to enter into such an agreement.

We do not charge any fees to you for introducing you to a credit provider.

If you are a consumer as defined under the Consumer Credit Act, you will have the benefit of a 14-day cooling off period.

Please note that we only use Close Premium Finance for the provision of premium finance facilities unless your insurer can offer an in-house finance option at a lower interest rate for you. The lowest interest rate option will always be selected.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

Your Right to Cancel (Applicable to Consumers only)

Please contact us if you wish to cancel any policy that we have arranged for you. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this Right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply (as shown in the charges section above), Cancellation under this right must be in writing, prior to expiry of the cancellation period, to our usual office address.

Cancellation non consumer

Commercial insurance policies do not routinely have cancellation rights except those available to the insurer. As a Commercial customer, you do not have the same cancellation rights by law as a consumer but may still have specific contract rights and reference should be made to the policy document to ascertain your position.

Where returns of commercial premiums are made on cancellation, it is usually following cancellation by the insurer, not the policyholder. On cancellation of a policy any refund or premium allowed by the insurer will be paid to you after deducting our annual commission and fees.

Cancellation process

Once we have been notified that you wish to cancel your policy you may be entitled to a refund or part of the premium paid. Please note that should any claim occur prior to the cancellation of the policy then you are not entitled to a refund. Refunds are generally issued on a pro-rata basis, however in some instances this may not necessarily be the case. In addition please note the following:-

- where a policy is issued on a minimum and deposit basis the insurers do not normally provide refunds.
- the certificate (if applicable) will need to be returned before a cancellation is issued.
- where a policy is paid by Direct Debit and the policy is cancelled there still may be an outstanding balance to settle.

Termination of this agreement

Unless cancelled by either party, this agreement will remain in force in accordance to the terms below or there is no business placed with us. Should you wish to cancel our authority please provide 14 days written notice which will be measured from the date of receipt.

The outstanding balances for any adjustments or transactions made prior to the termination are still your responsibility and settlement will be required. We are entitled to retain commission and all fees in relation to policies placed by us prior to the termination of this agreement.

Should we be assisting you with a claim prior to the termination, this service will cease as we will no longer be your agent.

Your personal data will be retained in accordance to our Fair Processing Notice. Please refer to this document.

Policy terms & conditions

It is your responsibility to examine the policy documentation and familiarise yourself with the conditions, exclusions, warranties and excesses. A breach of a policy condition may result in the non-payment of a claim. Breach of a warranty may suspend the insurer's liability to pay any claims directly related to such breach until the time that the breach has been rectified. Please contact the office should you require any clarification on the above points.

How to make a claim

Some insurers have a Claims Notification Line. If this applies to you it will be shown in your policy. You can contact us at the address or telephone number shown on your quotation, or at:

Stanhope Cooper, Cedar Court, 5 College Street, Petersfield, Hampshire, GU31 4AE

Tel: 0207 7769 790 Email: info@stanhopecooper.com

You may need to provide some information to enable your claim to be dealt with. This will depend on the type of claim you want to make.

You will be asked for the information that is needed. You must provide promptly any information that is asked for. If you do not, your insurance may not pay out, or may not pay out enough. In certain circumstances late notification may result in your claim being rejected. Failure to provide requested documentation, fully assist or disclose all material facts to the insurers may give the insurers cause to decline the claim. Please do not dispose of any damaged items, take as many photographs as possible and do not authorise any remedial works unless in the event of an emergency or to prevent any further damage.

In the event that the claim involves a third party then please pass on copies of all correspondence immediately.

Quotations

All quotations are valid for 30 days unless stated otherwise. Please be aware that a quote can be withdrawn or changed if the risk profile changes before cover is accepted.

Client instructions

In order for instructions sent via post, email or fax, to be processed they must be received by the relevant account handler. Until this time cover cannot be arranged or changed. In addition, we cannot accept instructions which have been left via any messaging service as neither party can guarantee that they have been received or actioned.

Should instructions sent via post, electronically or telecommunications systems go missing or if there are failures in the postal system, we cannot accept responsibility for instructions which do not reach us.

Documentation

We strive to produce documentation which is clear, concise and in a comprehensive format. Should you have any queries or are uncertain on any aspect, our staff will be more than happy to clarify any points you may raise.

Although we have checked all documents for accuracy please take a moment to familiarise yourself with the finer points to ensure that they meet with your requirements paying particular attention to the terms, conditions, warranties and exclusions and any additional endorsements. Please let us know immediately if you are unable to comply with any of these or if there are any amendments required, as failure to do so could invalidate cover once it has been accepted.

Please retain a copy of all documentation (including certificates, particularly in the case of Employers' Liability) in a safe place for your own protection in the event that a claim may possibly be made. It is a requirement of the Road Traffic Act that you are in possession of a valid certificate of insurance before using a vehicle on a public highway.

Complaints

Our aim is always to provide our customers with a first-class service; however, we are aware that, occasionally, it is possible that we may fail to meet your expectations. If for any reason we have not met your expectations, let us know as soon as possible, by calling our main office telephone 0207 7769790, or write to Rachel Living, Stanhope Cooper Insurance Brokers Limited, Cedar Court, 5 College Street, Petersfield, Hampshire, GU31 4AE or email rliving@stanhopecooper.com.

If we are unable to resolve the issue to your satisfaction by the end of the third business day following receipt, we will formally investigate the matter. You will receive an acknowledgement of the matter together with a copy of our complaints process promptly and certainly within 5 working days. We will then aim to investigate and provide a resolution as quickly as possible, informing you of a final response no later than 8 weeks.

If you are not happy with our response, or the position after a period of 8 weeks, you may be eligible to refer your complaint to the Financial Ombudsman Service (FOS) for an independent assessment and opinion.

The FOS Consumer Helpline is **0800 023 4567** (free for people phoning from a "fixed line" (for example, a landline at home) or **0300 123 9123** (free for mobile-phone users paying monthly charge for calls to No's starting 01 or 02). Alternatively, you can contact them at Financial Ombudsman Service, Exchange Tower, Harbour Exchange Square, London, E14 9SR. www.financial-ombudsman.org.uk

A full copy of our complaints procedure is available on request.

Financial Services Compensation Scheme (FSCS)

If we are unable to meet our obligations, you may be entitled to compensation from the FSCS. If we have advised or arranged insurance for you this will be covered for 90% of a claim, without any upper limit, however, claims under compulsory insurance, professional indemnity insurance and certain claims for injury, sickness or infirmity of the policyholder are protected at 100%. Further information is available from the FSCS helpline on 0800 678 1100 or 020 7741 4100 and www.fscs.org.uk.

The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms. Compensation is usually payable if an authorised firm is unable or unlikely to pay claims usually because it has ceased trading or become insolvent.

Block transfers

We may, for some classes of insurance, operate block insurance arrangements in order to provide competitive terms. Should it become beneficial to our clients that we do so, we may transfer such blocks from one insurer to another.

This document constitutes both your acceptance that we may make such arrangements at our discretion and your request for us to do so when appropriate.

Transferred business

Where we take over the management of policies originally arranged through another insurance broker or intermediary we do not accept liability for any errors, omissions or gaps in cover. In addition we cannot accept liability for any claim which may arise as a result of the advice given by that broker or intermediary.

Should you have any concerns about a policy which has been transferred or if you require an immediate review please contact us. Otherwise all transferred policies will be reviewed at the renewal of the policy.

Your Data

We aim to process your data responsibly, fairly and in strict accordance with the General Data Protection Regulations (GDPR) and The Data Protection Act (DPA) 2018.
